# The Parties . . .

Suspended?!

Oh! Stop it!

Duh!

Is this #6 . . . or is it #7?

Happy Days

Where are we going, anyways?

I'll drink to that!

I dare you!

Yea! for 1974!

You smoke WHAT?!

Bottoms up!

I can't believe I drank the whole thing.

Chug-a-lug

Has anyone got a beer?

Is it the cops?

I'm a joker, I'm a smoker, I'm a MORNING toker!

This is a party?

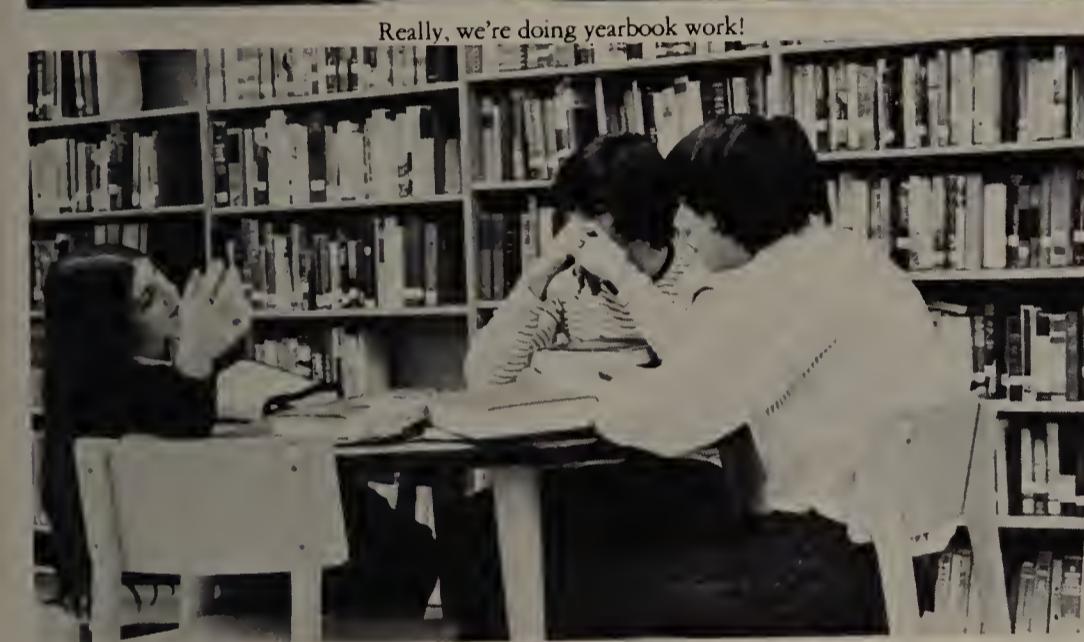

# And More Good Times

Really, we're doing yearbook work!

Oh Paul! Sometimes . . .

I lost it . . . in Canada!

She has to be kidding!

I had it right here.

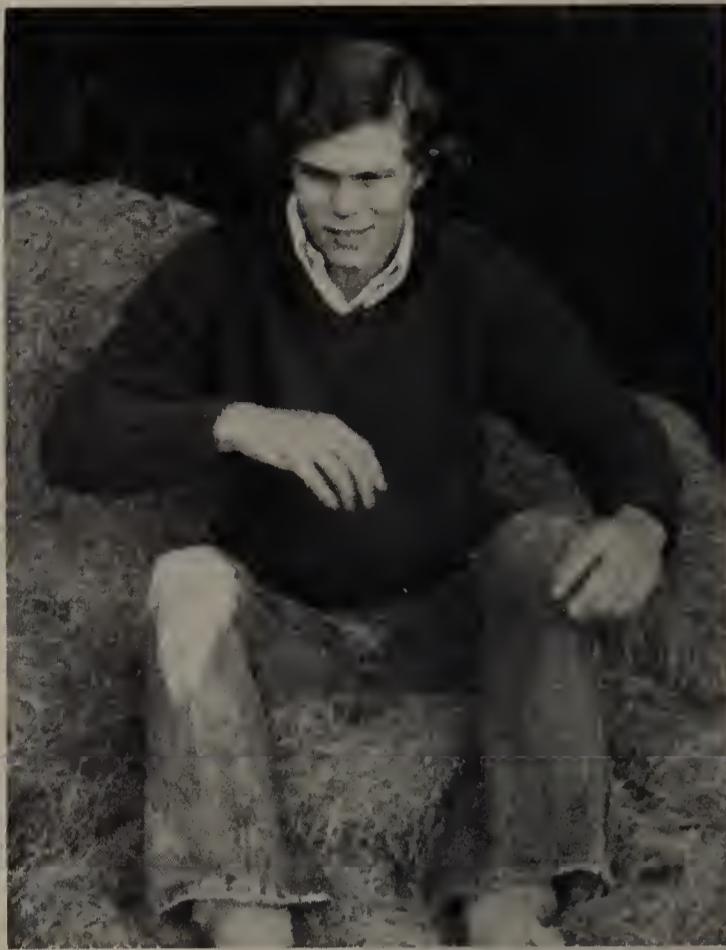

You wanna skip Physics?

The yearbook's DONE!!!

Muscle men.

Ow! I think I found that needle!

Me? Do that?

School Spirit?

Where's Mr. Ebbett?

But Judge, THIS is the girls' room!

But it's our last game!

We'll accept anyone!

Where did he go this time?

Motor Mama.

Heave two, three, four!

Rough time last night!

And I couldn't have done it without Mark Eden!

I know there was one we had to censor!

Howdy Ma'm!

Pucker Power!

HE LIVED, HE LAUGHED, AND  
HE WAS HAPPY.  
BUT THEN HE LOVED AND LOST.

Who else, but Mr. D.

Off to the Yearbook Office. (YO!)

Better to have loved and lost, than not to have loved at all.

What am I doing here?

But who knows where!

Of course we signed in!

One ringy dingy . . .

I shouldn't have eaten that lunch!

But I only left on yearbook business!

So what if I'm not dressed?

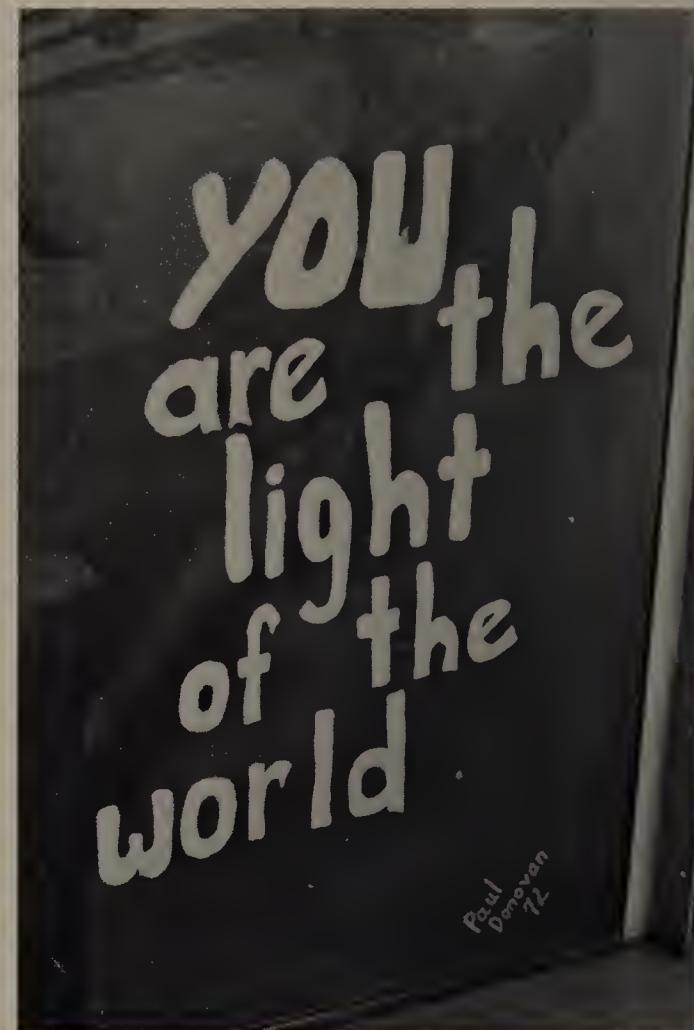

But that's impossible in H.H.S.

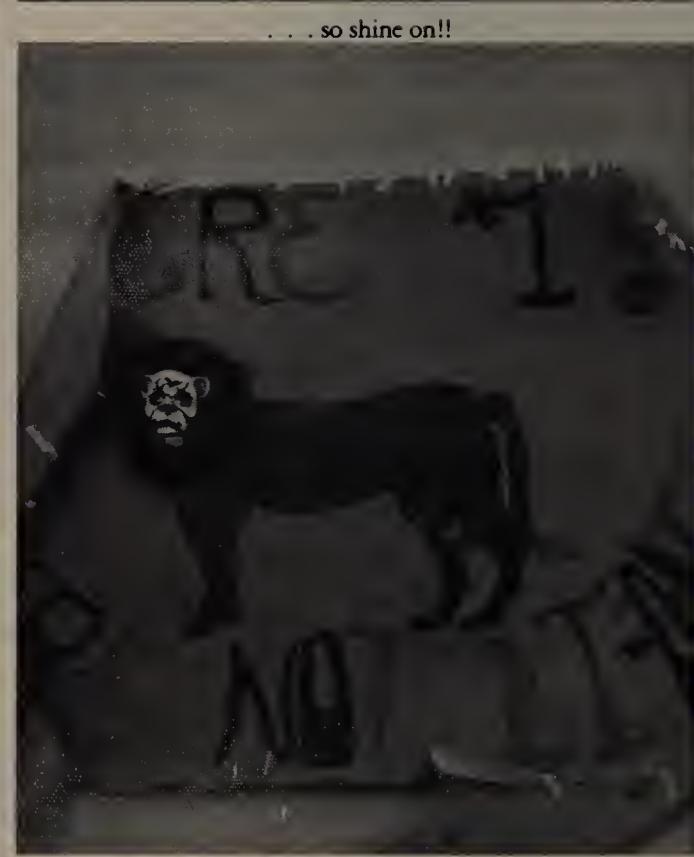

Mr. D's pinup girls.

But really, you guys, it's true!

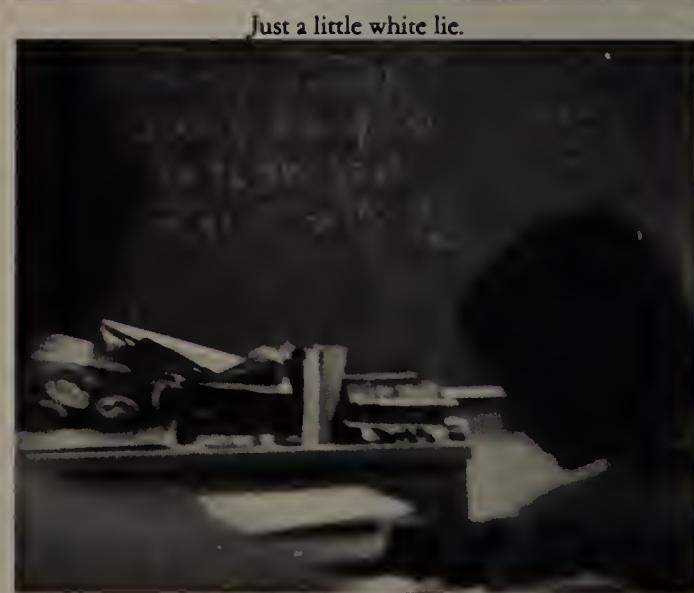

... so shine on!!

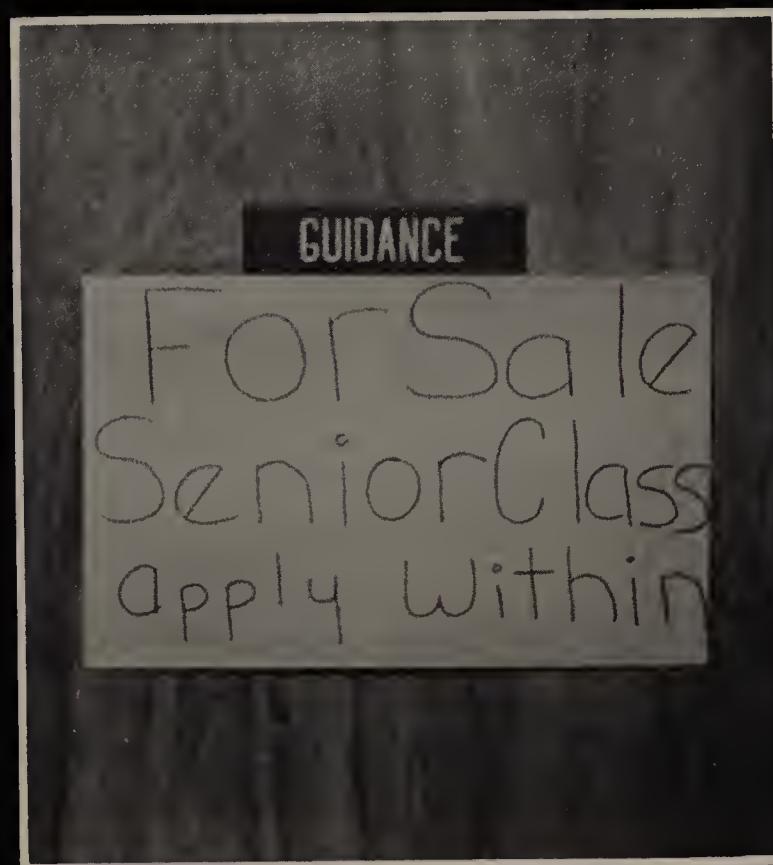

Just a little white lie.

±@#\$\$%&\*()—kids!!!

It's all Greek to me!

Time it was,  
And what a time it was.  
It was . . .  
A time of innocence,  
A time of confidences . . .

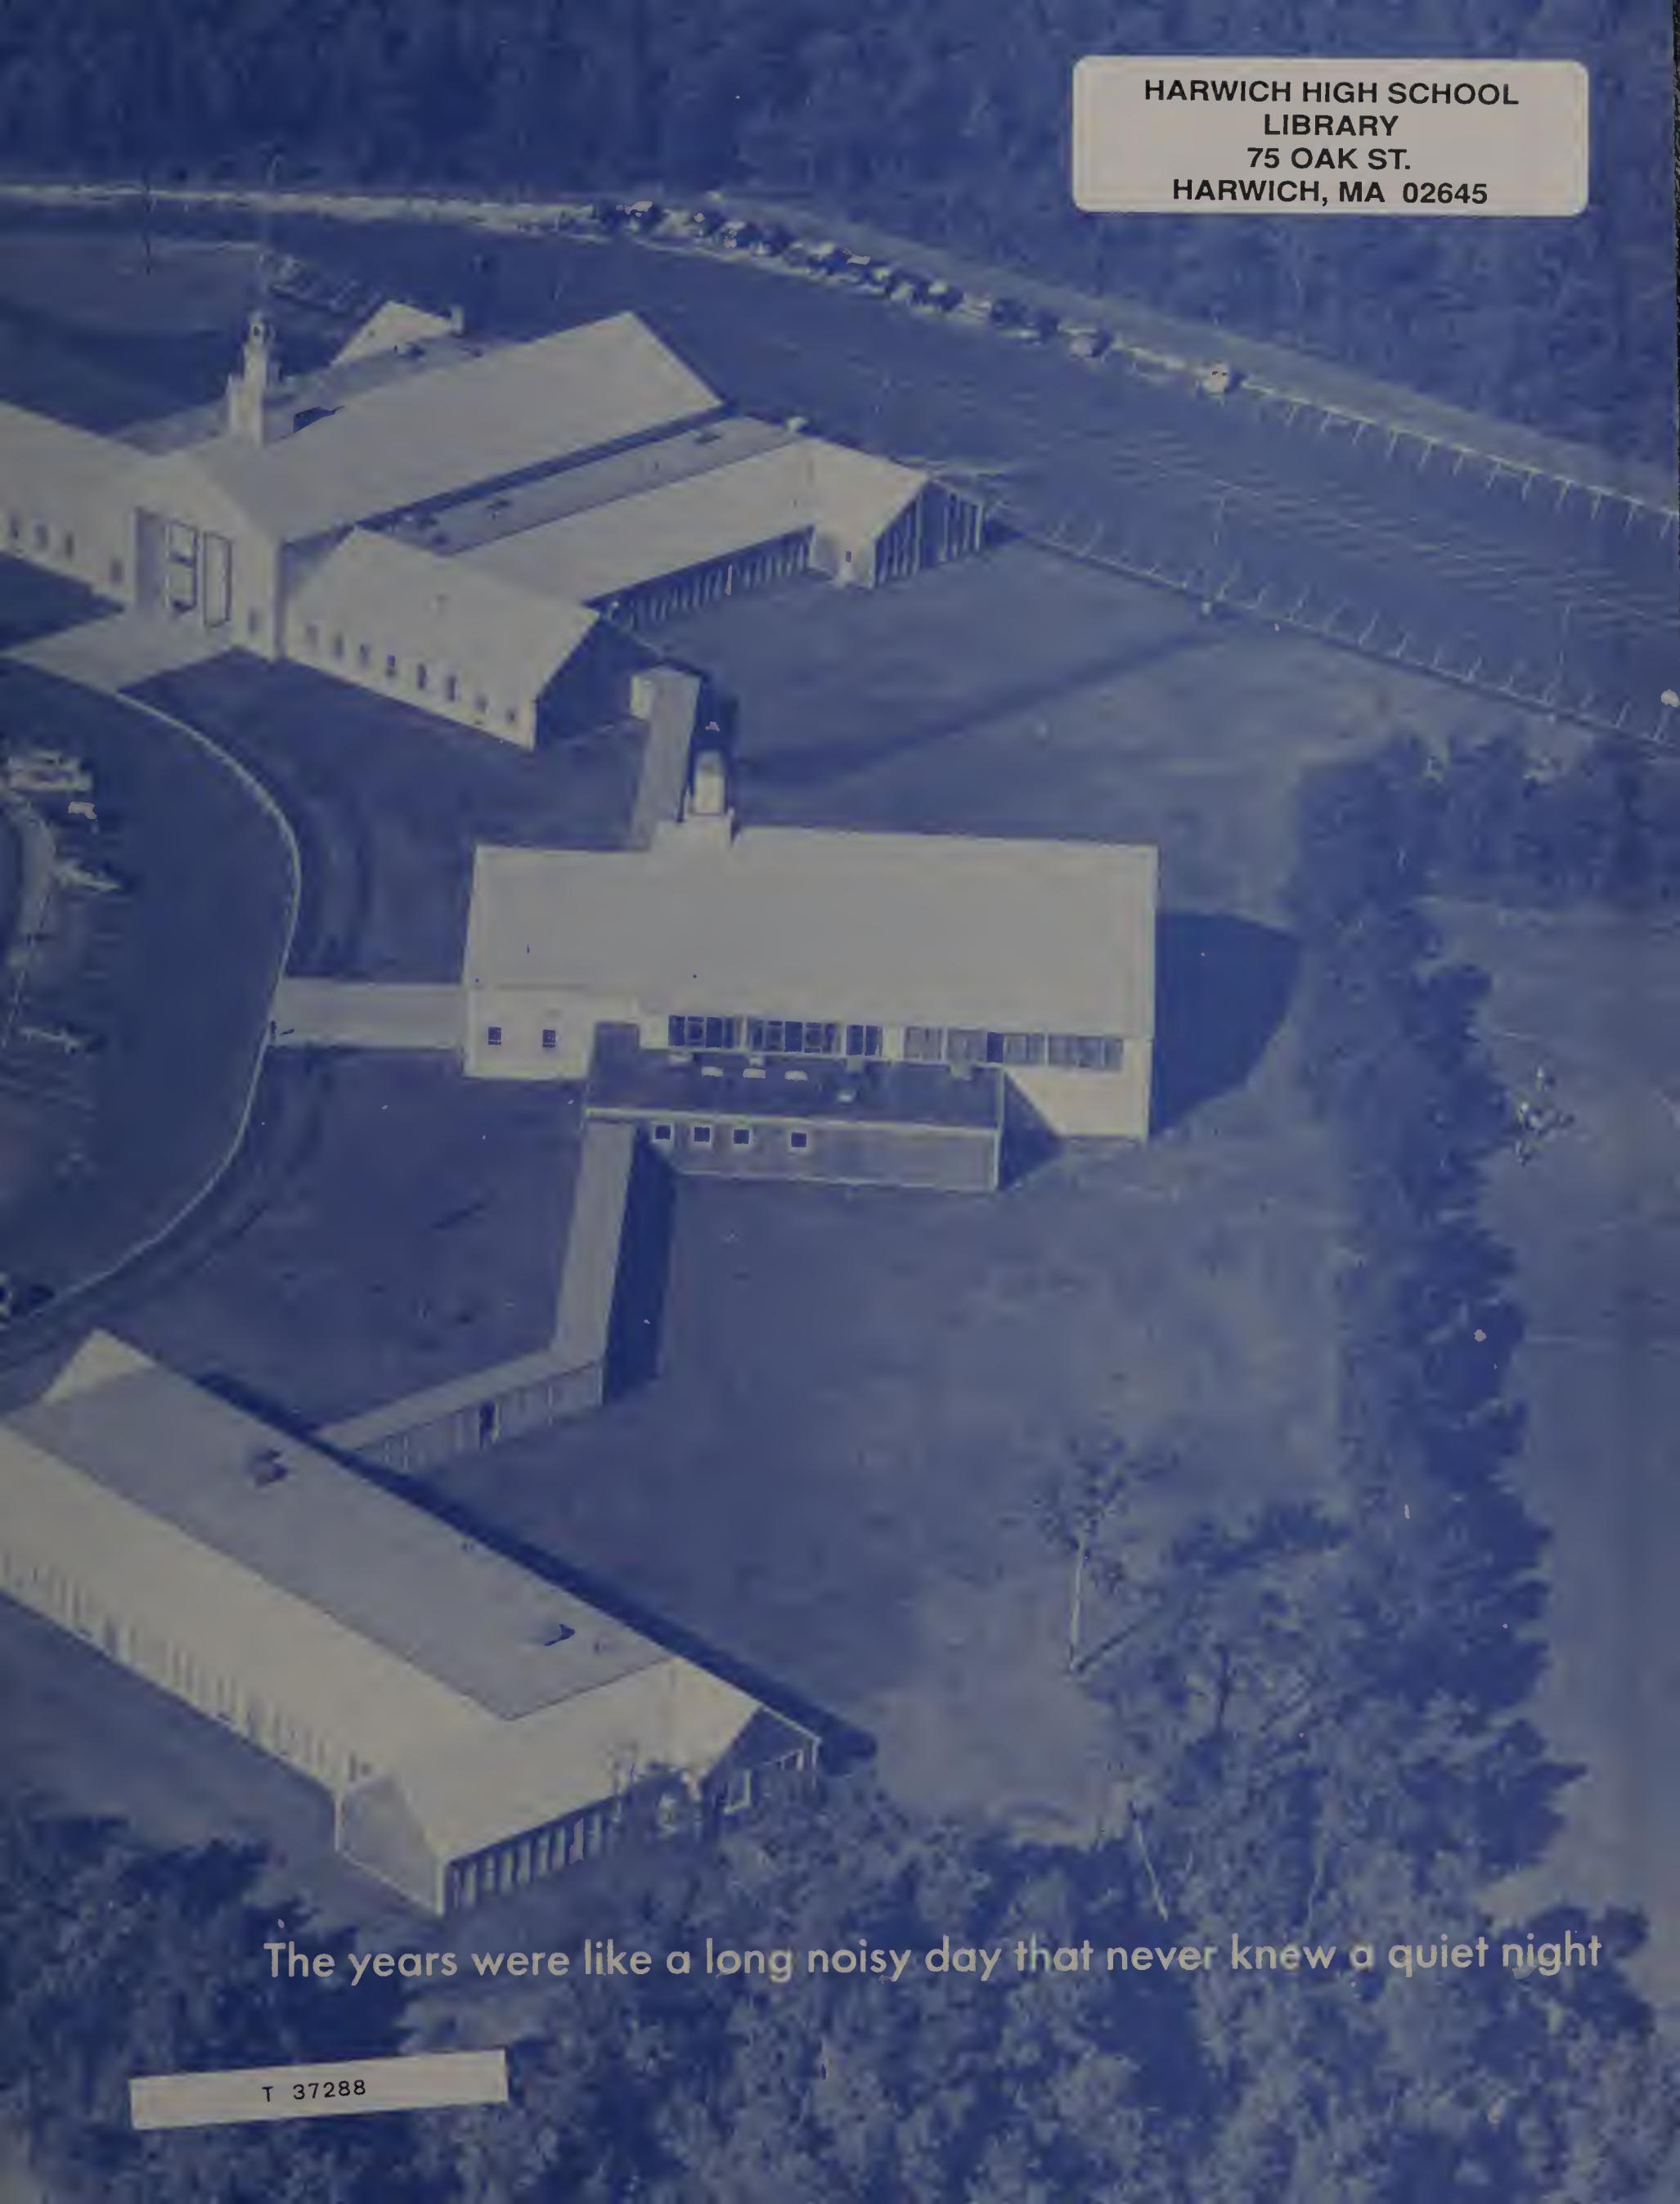

. . . Long ago —  
It must be.  
I have a photograph.  
Preserve your memories —  
They're all that's left you.

HARWICH, MA 02645

An aerial photograph of a large, modern school building complex. The main building is a light-colored, multi-story structure with a long, low profile and several gabled roof sections. It features a prominent entrance on the right side with a glass door and a small overhang. To the left of the main building is a large, circular, open-air amphitheater or stadium seating area. In the background, there are more buildings, trees, and a body of water under a clear blue sky.

The years were like a long noisy day that never knew a quiet night
